me: did you see the column?
Jonathan: Yes,
Jonathan: I am emailing you now.
me: also, last sentence, ancestor should read predecessor
me: or whatever
Jonathan: descendant
Jonathan: got it
Jonathan: It's still 1,075 words...
Jonathan: Also, while the editor will change the title, do you have one?
Jonathan: "2003" should be "2002" so I will change that
Jonathan: "as applied from"?
me: "Inexplicably, Confederacy remains a force with which to be reckoned"
me: "applied by"
me: is what it should be
me: off to the bar, e-mail with any questions as I have my blackberry
me: thanks for sending this along
me: and suggesting theme
Jonathan: Okay, so the title is "Inexplicably, Confederacy remains a force with which to be reckoned"
Jonathan: I will send it along to him with your phone number
Jonathan: Okay?
Jonathan: (If you can just say, "Yes," please...)
Jonathan: (Or "No".)
Jonathan: (Or something else.)
